To Whom It May Concern:

I have had the pleasure of knowing Mr. Odell S. Anderson, Sr. for approximately seven (7) years. Our acquaintance began because his son J'shon and my grandson Mark are good friends attending the same school at the time. Mark & J'shon remains good friends to this day and Odell would either drop off or pick up Mark and vice versa on my part. Odell is a father that lovingly educates his child instilling the importance of respect, manners, education and being responsible. In addition, his compassion for all of this doesn't just stem with his child(ren), but he has also extended his fatherly ways with ALL children he encounters. As a single grandmother, Odell's male presence has been a great assistance to me with my grandson. This shows how much of a good friend Odell has been. Odell also attends a faith-based church that he talks about with great excitement and is quite committed to. Another take away about Odell and I must not leave out is the fact that Odell is an extremely hard worker. As a business owner, he manages every aspect of his life with a healthy balance.

Re: Odell Anderson

Hello,

My name is Donald Grant. I am a 52 year old ordained Minister, and a very productive member of society. I am writing this note to inform you of the great character that Odell Anderson possesses. I have known him, as a faithful member of our congregation, for many years. I can attest to his kind and gentle spirit not only as a husband, man, and friend, but most importantly as a Father. I have seen his commitment to not only his children, but also many other children in the community. I have witnessed him as a volunteer youth football coach, which the team did not even include his own son, but his desire is to really be an example and mentor to the next generation.

I have also had the pleasure of seeing him interact with his daughter, and the admiration was equal. He has been a very active member of our church community, furthering his education by taking many classes within the ministry, as well as volunteering his time and talents to help other's in the church as well. I would vouch for this man's character any day of the week, because I have witnessed his actions and good deeds first hand, and not just have heard about it. Please let me know if you have any questions or concerns. Thanks.

Sincerely,

I am writing this letter on behalf of my business client and friend Odell Anderson.

My name is Tiffany Johnson and I am a Senior Relationship Banker at Branch Banking & Trust. I met Mr. Anderson October 18, 2018. I am pleased to say during the time that I have known Mr. Anderson, I came to realize how caring, hardworking, and thoughtful he is overall. Whenever Mr. Anderson has his two younger children they would come with their dad while he would do his transactions. During that time I would have the pleasure to sit down with both children and have multiple conversations. The children are always excited to tell me the different adventures that they experience with their father.

From Mr. Anderson kids I've learned that he gives them allowances weekly. He would often take them to different stores of their choice to make purchases of whatever their heart desire as long as they are keeping their grades up in school. From academics, football, cheerleading, and the church youth program Mr. Anderson is very involved when it comes to his kids. Not only is he involved with his own children he mentors and helps the youth within his community. From what I know there is no reason at all to suspect that Mr. Anderson mistreats or abuses his children.

To that end, please feel free to contact me if needed.

To whom it may concern,I Harold Redd (President of the Metro Bengals Youth Program) will like to express my opinion on the Character of Coach O'Dell Anderson. I've known Coach Odell for 7 years and have known him to be a positive reinforcement to the youth in the community. Coach Odell has always been seen as a Big Brother to most of the young boys in the Community. He has a very good connection with the parents and the Family of the youth,and has always been a favorite of the community. Anytime Coach Odell is called on to respond to the youth he always rise to the occasion. Coach Odell can be found on multiple occasions helping the youth on and off the field.He has been a Coach and a great asset to the Metro Bengals Program. Words can't describe the role and Impact that Coach Odell has on the Program and the Community in which he lives. Thanks for allowing us to speak on behalf of such a genuinely good man for our youth.
